Welcome to Dissertation Express!

Please choose how you would like to submit your order:

Online with a credit card

The fastest and least expensive way to get the dissertation(s) you would like to order is to submit your order online with a credit card via our secure interface. Dissertations ordered online are available in either unbound shrink-wrapped paper copies or PDF files (if available).

Fax/Mail Form to UMI

If you need a format other than unbound shrink-wrapped, or if you would rather pay by check, money order, or credit card (offline), you can still use this convenient online interface to select the dissertation(s) you wish to purchase. Upon checkout, you will be able to print out a form ready to be faxed or sent to UMI for processing.

Search Instructions

The fastest way to identify and validate a dissertation is to enter the last seven characters of the UMI order number. If you don't have this, enter a word or phrase into the search terms field or the author's last name and the first four words of the dissertation title.

Search terms - Enter a word or phrase related to the dissertation. Use "quotation marks" to search for exact phrases.

Order Number - Enter the last seven characters of the UMI order number. (Example: for citation DA9412718, you should enter "9412718")

Author - Enter the author's last name or the author's last name, first name. (Examples: "Smith" or "Smith, Jane")
