

RESOLUTION PROPOSAL FOR STUD-INSTIT-2013 CALL WITHIN NILS SCIENCE AND
SUSTAINABILITY PROGRAMME

NILS Science and Sustainability Steering Committee dictates the provisional resolution of the STUD-INSTIT-2013 call, which includes, in Annex 1, the list of the proposed beneficiary institutions. Institutions will receive an individual communication including, when appropriate, a description of the conditions to be fulfilled as a pre-request for the final approval.

Proposed beneficiary institutions may, within the following 10 natural days, from the day after the individual communication of the decision, make any claim they may consider or express the acceptance of the grant, by using the email nilss@rect.ucm.es. The awarding proposal shall be considered accepted if within these 10 days the applicants does not communicate with NILS Management Service. Any project submitted to pre-requests before approval needs to fulfill such conditions before being finally awarded.

This provisional resolution proposal does not establish any obligation for Universidad Complutense de Madrid, programme operator of NILS Science and Sustainability, before the beneficiary institutions, if the final awarding resolution is not communicated.

Madrid, November 20, 2013
