

## Turku 2019: Approaches to Digital Discourse Analysis 2

<https://adda2.wordpress.com/>

23–25 May 2019

University of Turku, Finland

Panel proposals deadline Oct 1, 2018

Individual paper proposals deadline Nov 1, 2018

Notification of acceptance will be sent by Jan 31, 2019

This conference aims to bring together researchers interested in the analysis of digital discourse from different disciplines, approaches and traditions. Thus, it seeks to foster state-of-the-art debates and discussions on this burgeoning field of research and provide opportunities for multidisciplinary and critical reflection.

### **Confirmed plenary speakers**

Pilar G. Blitvich – University of North Carolina at Charlotte

Carey Jewitt – University College London

Rodney H. Jones – Reading University

Tuija Virtanen-Ulfhielm – Åbo Akademi University, Finland

### **Conference themes**

Papers are invited from discourse scholars from different traditions focusing on digital discourse and other relevant fields, among others:

- Theoretical approaches to digital discourse analysis
- Research methods in digital discourse analysis
- Critical digital discourse analysis
- Micro analysis of digital discourse
- Digital genres
- Discourse and identities in the digital world
- Multimodality and digital discourse
- Conflict in digital discourse
- Digital discourse and the professions

- Digital service encounters
- Political discourse in the digital age
- Gender and the digital media
- Digital discourse and journalism
- Digital discourse and education
- Digital discourse and health
- Digital discourse and society
- Digital discourse in games
- Any other relevant field related to digital discourse

**Panel and paper proposals – technical issues**

Abstracts of no more than 350 words, including references, are invited. The deadline for abstract submission for panels is Oct 1, and for individual papers is Nov 1.
